Meeting held: Marana Heights, Tempe, AZ

Meeting was called to order by President Melissa Schmaltz at 9:05 am.

Attendees: Wayne Carroll, Melissa Schmaltz, Marc Tomeoni, Natalie Braunger, Mary Bobbitt, David Bellmont, Katherine Gosiger, Linda Howard, Harold Gribow, Linda Parker, Jeremy Bethancourt, Nicholas Laughlin, Ryan Oughterson, Michael Bryant, Kyle Schoenberger, Kat Tomeoni.

Announcements

Year’s Theme: COMMUNITY ENRICHMENT

Mission statement was read.

A moment of silence was held in memory of the 9-11 Event and all the first responders who lost their lives in the aftermath.

COMT report (formerly STARS) was discussed. The Chapter earned Gold last year, and Melissa has the information to make the Chapter Platinum. The focus is membership experience.

Melissa Schmaltz and Marc Tomeoni will be going to ROC.

Ryan Oughterson is now ARVP of Finance for our Region.

ASU Construction Safety Days; Kyle Schoenberger will be doing a presentation about Ryan Company and site safety information. It is September 22. It is from 9-2 and classes are 1.5 hours. Each class has 20 minutes of safety included.

Kids Chance Gala is September 25 at Firesky Resort. It is from 6:30 to 10. Due to the Chapter annual sponsorship, we have seats available for the event. See Jeremy for additional information.

Southern AZ Chapter will have their banquet on September 26 in Tucson at the Air and Space Museum. There will be a technical speaker. Marc Tomeoni volunteered to attend on behalf of the AZ Chapter.

October 8 through 10 is the Society Leadership Conference. Marc Tomeoni and Natalie Braunger will attend. We previously approved funds for them to attend, and they have made the reservations. Melissa Schmaltz has been asked to do a presentation on her planning meeting PowerPoint. This is an honor for her and to be congratulated by the members. Way to go Melissa! See financial vote information attached with this report.
Mentoring committee met and have determined that their focus is not just students but anyone who is involved in safety in their careers, new or otherwise. They have looked at several models for developing a program, and anticipate using the WISE mentoring program from ASSE. They are working to develop a website with an electronic portal from our Chapter website. Katherine Gosiger will develop a list of member contacts and send to Mike Bryant. Funding was set aside for 2 student members to go to the Future Leadership conference. See financial vote attached.

* President Melissa Schmaltz
See above

*President Elect Marc Tomeoni
AZ Chapter Summit will be held in conjunction with the ROC next April at Chaparral Suites in Scottsdale. The events timeline are April 21 will be the Chapter Summit and WISE networking event in the evening. April 22 will be Region II ROC day 1 and networking event in the evening. April 23 will be ROC day 2 which will be over at noon. This committee is Marc Tomeoni, Tim Page-Bottorff, Norm Watkins, Stephanie Steinberger, Nick Laughlin, Linda Howard, Melissa Schmaltz, Ryan Oughterson, and Jonathan Klane. The next planning meeting will be within the next 2-3 weeks. Marc is working with the Vendor Chair, Nick Laughlin, to expand our vendor attendees. One request from past PDC’s is that we have more live demonstrations, and Marc expects to have 2 or 3 at our next one. There will be a student track (CSP/ASP as a minimum). There will be other tracks developed for the senior and junior professionals.

*Vice President Natalie Braunger (WISE)
Natalie is researching the ways to join local Chambers of Commerce. It may be cost prohibitive at this time unless there are memberships available for non-profit organizations. This is a new dimension to the COMT program.
Natalie also reported that the Making Strides against Breast Cancer walk is October 24th and they want to raise at least $1000 for the program. Please see the link from the website to sign up for donations.

*Secretary Mary Bobbitt
September 2016 minutes were approved as presented. Motion to approve by Katherine Gosiger and second was provided by Marc Tomeoni. Motion was approved unanimously.

*Treasurer David Bellmont
GoDaddy website has been cancelled. Information was downloaded and disk given to Mary Bobbitt for future use. There are extensive resources available for the Chapter from previous year officers and Society. The financial report was reviewed and discussed. Motion to approve was made by Mary Bobbitt and second provided by Marc Tomeoni. It was approved unanimously.

*Delegate Wayne Carroll
A survey about Chapter programs will be sent out to the members. New member orientation will be developed to enhance their participation.

Sections
Construction Kyle Schoenberger
Regular meeting dates are set and should be appearing on the Chapter website.

Embry Riddle Students Max Fogleman/Taylor Smith/Linda Parker
The roster needs to be updated for Society. Linda agreed to check on status.

Healthcare vacant
Section membership has waned. This section may be eliminated. Past Section Chair, Morgan Bliss, will contacted for additional information.

Committees
*Awards & Honors* Tim Page-Bottorff  
No report provided.

*Bylaws* Jackie Ruggles  
No changes at this time.

*Long Range Plan* Stephanie Steinberger  
See report attached

*Membership* Katherine Gosiger  
See attached report. Katherine will check for the list of gift memberships and see if Society is still offering this to attendees at Society PDC’s.

*Nominations* Vicki Allen-Buglisi  
See report attached

**Senior Board Advisor** Jitu Patel  
No report this month

**Foundation** Harold Gribow  
See report attached. ASEC continues to support the Chapter and donates $500 each month, with $1500 for the past 3 months presented to David Bellmont.

**Government Affairs** Jeremy Bethancourt  
Jeremy continues to work with various entities to add more billboards across the existing ones. There are now billboards for fall protection, heat stress and adding the texting. The distracted driving legislature is directed to teen drivers, but important across the entire spectrum of drivers. Jeremy arranged for an internship to be set up with Michael Bryant. NAOSH strategic plan is changing and updates will be provided as available. Texting and driving is next AZ regulation that is moving forward. The seed money for texting billboards is being collected and the in the second week of January it will be launched. Workers Memorial Day event is in early planning stages for next year in April.

**Programs** Linda Howard  
Programs are set with minor changes anticipated for the rest of the year.

**Job Bank** David O’Brien  
See report attached

**Newsletter/Webmaster** Jay Acker  
Newsletter is completed.

**Public Relations** Eldeen Pozniak  
No report this month but Eldeen will return to meetings in November due to previous commitments.

**Community Services** Ken Wuolett  
See report attached

**Vendor/Sponsor** Nicholas Laughlin  
Nick is working with Marc Tomeoni to expand the vendors for PDC. He is seeking sponsors for regular Chapter meetings to coordinate with the topic that month.

**Social Media** Ryan Oughterson  
Ryan is continuing to update LinkedIn and other social media with Arizona Chapter information.

**Student Liaison** Michael Bryant  
See report attached
**AIHA Liaison** Jonathan Klane  
See report attached.

**Webmaster** Linda Parker  
Linda is continuing to update the website as information is provided.

**Member at Large** Norm Watkins  
No changes at this time

**Area A Director** Mark Grushka  
Unable to attend this month

**Other Business**  
None

Meeting was adjourned at 11:13 am  
Motion was made by Mary Bobbitt and second was provided by Wayne Carroll.

Hide Details
From: Harold Gribow <harold@gribow.com>

To: Mary Bobbitt <mary.bobbitt@farmersinsurance.com>

No report from the Foundation. In fact I’ve not received anything from Society about the Foundation.

ASEC will donate $500 to the Chapter for the month of September and $1,000 for July and August.

Hi all,

I can't wait to start this chapter year, we are going to have a lot of fun! I have attached the tentative agenda for the meeting in a couple of weeks, please let me know if there should be any changes/updates/additions. I would also like to remind everyone to get their report in to Mary before the meeting.

Thanks!!!

[attachment "Sept Board Agenda.docx" deleted by Mary]
Hi Mary,

AIHA-AZ Liaison Report:
AIHA-AZ Board voted to work with ASSE-AZ on a mutually agreeable MOA/I/U. Based on last version I sent, how would the Board like to proceed? Committee? Just me (and Jitu's additions)? Other thoughts?

ASU GCS Liaison Report:
Proceeding pretty well overall. Productive and well-attended meetings at PDC. Some more after it. Fulton Schools of Engineering's (FSE's) SSEBE (School where GCS is located) is hosting "Safety Days" this month on 9/22-24 with visitors, guest lectures in many classes, etc. More details to come.

Thanks,
Jonathan

Jonathan Klane, M.S.Ed., CIH, CSP, CHMM, CET
Assistant Director – Safety Programs
Ira A. Fulton Schools of Engineering
Arizona State University
Jonathan.klane@asu.edu
Office: (480) 965-8498
Cell: (480) 329-8880
Engineering Office of Health and Safety:
http://safe.engineering.asu.edu/

Mission: The mission of Safety at FSE is to facilitate research and education by ensuring consistent and participative health and safety programs, services, and training for students, staff, and faculty.

Vision: Our vision is to foster a "positive and integrated safety culture" that embraces everyone's health and safety as our collective priority. Just as FSE is a recognized leader in engineering research and education, safety at FSE will realize the same recognition and success.

Safety Ethic: "Value safety, work safely, prevent at-risk behavior, promote safety, and accept responsibility for safety."
Thanks Melissa for reminding everyone.....Please send your reports to this e mail address. Thanks in advance!

Mary,

Sorry to let you down! But, for the past few weeks, I have been crazy busy! Just to name a few items I am engaged to get something done are...

1. Working as an Organizing Committee member a speaker and an ASSE Ambassador including wide variety of tasks including initially to planning followed by executing the 2nd Safety India 2015 PDC&E in Mumbai to be held on October 15th & 15th followed by an ASP/CSP Workshop.

2. As a member of the ASSE Technical Professional Recognition Committee, I was heavily involved in the process of updating Fellow and Society SPY Program details, where improvement is needed and feasible.

3. Again, heavily engaged in developing the national level of Safety Awards in the categories of Occupational Safety & Health, Environment and Sustainability for HSE&S
professionals in India included developing the program eligibility details, launching the program execution, evaluation and ranking with set values for the program's on-going each year with the needed financial support for presenting awards with Trophies, Plaques accompanied by reasonable amounts of honorarium.

4. I participated in the ASU/GSC Planning meeting the ASU presided by the Fulton Engg School Director Dr Gibson and attended by the Dean executives from many major US corporations like Bechtel, BP, Exxon/Mobil and more. It was a constructive and productive meeting and achieved a lot. I am happy to be of value making significant contributions in the early days of Center.
Hi all,

Attached is the agenda for the meeting next week, please do not forget to send in your reports to Mary!

Thanks,

August:

Number of new positions posted: 10

Arizona:
Environmental Health Specialist GS-0601-11
Safety Specialist
Registered Nurse - Registered Nurse (Occupational Safety Division)
Site Environmental Specialist
Systems Safety Engineer 1
Safety Supervisor
Health & Safety Specialist
Safety Director
Chemical Safety Specialist
Safety Coordinator

National:

Number of job inquiries: 3

I have had three emails asking the local chapter for help to fill three job posting.

Resumes posted on site: 3

Robert Rosales CSP, CHST, CPEA
John R Miller, BA, PS
Kit Flores, CHST

Number of intern positions paid or unpaid: 0

Notes:

August was a great month for job posting. There are many opportunities in AZ right now. I will also like to note that there are only three resumes posted on our website, so now is the time to get yours posted.

Additionally, our chapter has received several request for help in fill some jobs throughout the state. If you know of anyone looking please let me know or have them contact me. Please feel free to email me with any job posting you may have. obriend39@gmail.com

Respectfully submitted,

David O’Brien
Linda and Mary,
Attached is the updated program list. Please update the web site.

Thanks

Linda

Mentoring
A student mentoring committee was formed during the 2015/16 Board Meeting to support this year's Community Enrichment theme. Michael Bryant, Linda Howard, Jonathan Klane, and Harold Gribow are members of that committee.

The committee searched for an ASSE best mentoring practices that led us to Louise Vallee, Coordinator of WISE Mentoring Program. Louise was able to provide marketing, branding and infrastructural advice based on her lessons learned over the past few years developing the formal program. The committee incorporated these lessons learned into the development of a less formal process.

On August 31, 2015 the committee met and accomplished the following:

Established goals for the mentoring program: Well-defined processes of matching ASSE members (students, recent graduated, and professionals) to more seasoned professional members for career advise.

Overview: The committee will develop an informal mentoring program that will utilize an existing infrastructure, if possible. The program will have an electronic intake form for both mentors and mentees. A program administrator will match mentee w/mentor after reviewing the intake form and possibly an interview. The team will establish a mentor/mentee contract discussing goals, expectations and duration. The program administrator will monitor mentor/mentee progress. It is expected that mentor/mentee process be organic and mostly directed by the mentee.

Voice of the Customer: Working with Embry-Riddle Aeronautical University and GateWay Community College students, the committee will develop and distribute a short 8 -10 question survey align the customer’s expectations with program outcomes. The survey will be developed in September and distributed by mid-October.

Branding: The committee will establish a brand to represent a unique and lasting value in the minds of our membership. The mentor program will have a name and logo that reflects the brand. In addition, working with the Chapter President, the committee will develop a 30 second video introduction to assist members in connecting mentoring to the chapter strategic goals. The committee will present branding ideas to the Board in October. Both video and brand will accompany the voice of the customer survey.

Professional Development: As an integral part of mentoring, the committee suggest the Chapter facilitate resume writing, interviewing, networking and other professional development events for mentees.

Next committee meeting is September 21, 2015 from 1:30 – 2:30
OSH Public Service Announcement (PSA) Videos
To support Chapter’s 2015/16 Community Enrichment theme, during the Strategic Planning meeting the Board discussed promoting the safety profession during high schools and college career fairs. However, the participants realized the difficulty explaining the profession to young adults and suggest developing a public service video that provided an audience appropriate overview of the safety profession. As a result, Jonathan Klane and Michael Bryant developed the following video contest to enable the creation of multiple OSH PSAs and facilitate community involvement (student from Embry-Riddle Aeronautical University, GateWay Community College and possibly University of Arizona). Based on recent experience, a professionally developed PSA (2 – 3 minute) could range between $5,000 - $8,000.00 depending on a number of factors including the use of professional on camera talent, film location, script development, and post production time. The cost of this initiative would be less (developing online submission form, marketing materials, and $2,500 in cash prizes) with assistance from corporate sponsors.
Hi Mary!

Hope you are having a great day! Please see my attached minutes. Let me know if you have questions or concerns!

See you soon, Natalie

Vice President
- Marc and Natalie have enrolled in the Leadership Conference in October. Travel arrangements have been made and finalized.
- ASSE member Steve Anastasiadis sent an article on Emergency Preparedness. Please upload to our website – terrific to get this type of information from our members and we should encourage it! [http://www.hurford-salvi-carr.co.uk/blog/fire-safety-and-prevention-checklist](http://www.hurford-salvi-carr.co.uk/blog/fire-safety-and-prevention-checklist)

WISE Update
- Making Strides Against Breast Cancer Walk is on Saturday, October 24, 8am at Tempe Beach Park. Flyers will be available at the next few meetings. Open to ideas and suggestions! Please add walk info to our ASSE website: [http://main.acsevents.org/site/TR?team_id=1811135&pg=team&fr_id=70064](http://main.acsevents.org/site/TR?team_id=1811135&pg=team&fr_id=70064)
  Water? T Shirts?
  Luncheon Afterwards?

An A.M. Best A- rated company
Friends,

Well with temperatures expected in the high 90’s this week it seems like we might be through another hot summer here in Arizona. Knock on wood...

After feedback from several partners we have decided to hold the campaign photo on Saturday September 26th in Tucson. Given all the issues with most people’s work schedules this seemed like the best way to involve the most people who have provided support for the yearlong efforts.

Currently we are working with a window between 12:00pm and 3:00 PM. Keep in mind, will only be meeting up for about 30 minutes total, just long enough to set things up, get the photo, and leave.

I will be sending a final schedule time next week after I hear from everyone.

Please let me know if you are available to attend in two weeks and what time works best. This will be the last reschedule.

We look forward to hearing from you all!

Thanks again for all your continuing support and involvement! Hope to include everyone next year.

Good morning all,

I wanted to pass along the invitation below to see who would be interested in attending this wonderful event. Also, we could discuss carpooling. Please think about it and we will discuss at the Sept board meeting, Sept 11th at 9am at Marina Heights.

Thanks for all you do!!

Save the date for our annual awards banquet
Friday, September 25

We have a lot to celebrate this year......Along with recognizing the Safety Professional of the Year and presenting the Community Safety Award we have one more thing to celebrate......

_The David V. MacCollum Scholarship is fully funded!_

Mark your calendar - Friday, September 25 - and keep your eyes on your email toward the end of August for the details. Hope you can make it!

Deb Crooks, President
John Roads, Secretary
Gerry Coley, Treasurer
Shari DiPeso, Immediate Past President
Mark Grushka, Region II Area A Director
Occupational Safety and Health Independent Film Festival Contest Rules

Guidelines for Applicants
The OSH Independent Film Festival involves ASSE members shooting a short film (2.5 minutes or less), which is then uploaded on YouTube and promoted on Twitter. The purpose of this contest is to raise awareness and the profile of occupational safety and health. Think of it as a Public Service Announcement!

Occupational Safety and Health is a broad area, and the film produced does not necessarily need to involve all aspects of the profession. You might find it difficult to briefly explain the breadth of your work to coworkers, high school students, friends, and family members. Think of an interesting way to inform and entertain. You may choose one single element of the vocation to focus on, or look at its impact on businesses around the world, or what a job as a safety and health professional includes, or all the above to promote your college or university program. All of these elements help to raise the profile of the profession. Therefore, exercise professional judgment while making your film. Submissions that display unreasonably risky scenes or behaviors will not be considered.

The winners will be announced by a representative of Region 2 on April 22, 2016 at the ROC Networking event and will be presented with a $500 cash prize. The mission of the OSH Independent Film Festival is not only to have fun, but to take the winning films and share them with schools to educate students at the elementary, middle, high, and university levels, about the dynamic field safety and health and to plant seeds with the hope of inspiring the next generation of OSH professionals. Contestants who submit will gain extra points in the judging process if the film is appropriate for educating kids about OSH.

Eligibility
Any financial members (eg: student, member, professional member, or emeritus), regardless of membership grade are eligible to apply for a cash prize. Although the film can be produced by multiple people, the film contest application for a cash prize can only be made in one Entrant’s name. Only one entry per film is allowed. All entries must be the original work of the Entrants’ and should not contain any copyrighted materials or any inappropriate content. The Entrant must obtain approval from other persons photographed or filmed in the film (where used) for their permission for the film to be used on social media as explained within this document. All four steps of the application process must be followed to be eligible. Although encouraged, the applicant does not need to physically be present at the 2016 Region 2 ROC to receive the cash prize. An ASSE Region 2 representative is willing and able to assist applicants with steps 2 through 4 below. For assistance, please contact Michael Bryant at Michael.Bryant@GateWaycc.edu or +1 602-688-2678.

By submitting an entry, Entrants acknowledge that their submission will become the property of the ASSE and may be promoted and or altered by the ASSE on their website and other forms of social media.
Members of the ASSE Independent Film Festival organizing are ineligible to participate in the contest.

The Application Process
Applications close April 8, 2016.
The application process involves the following steps:
1. Create a short film that helps to raise the profile of occupational safety and health. You may choose one single element of the vocation to focus on, or look at its impact on businesses around the world, or what a job as a safety and health professional includes, or all the above to promote your college or university program. All of these elements help to raise the profile of the profession. **The film must not be longer than 2.5-minutes.** Preference is given to interesting content rather than film length or professional quality.
2. Entrants must upload their submission to YouTube. The ASSE website www.ASSE.org must be placed in the description section when uploading the film to YouTube.
3. Entrants must go to [http://region2.asse.org](http://region2.asse.org) to complete their application form and include a link to their YouTube film no later than April 8, 2016.

Submission Scoring Rubric:
Your film will be assessed in terms of the following criteria and you should frame it in such a way as will maximize its impact in these terms. Contestants who submit will gain extra points in the judging process if the film is appropriate for educating kids about OSH. Note: Only eligible entries will be judged.

<table>
<thead>
<tr>
<th>Item</th>
<th>Weighting</th>
<th>Detail</th>
</tr>
</thead>
<tbody>
<tr>
<td>Purpose</td>
<td>35%</td>
<td>The film had a clear storyline and call to action at the end.</td>
</tr>
<tr>
<td>Memorable</td>
<td>35%</td>
<td>The film draws in the viewer and keeps their attention?</td>
</tr>
<tr>
<td>Original</td>
<td>10%</td>
<td>The film has a “current”, unique, look and feel.</td>
</tr>
<tr>
<td>Production</td>
<td>10%</td>
<td>The film has a high overall production quality.</td>
</tr>
<tr>
<td>Diversity</td>
<td>10%</td>
<td>The film has diverse images (race, age, gender, physical ability, etc.) to represent the world we live in.</td>
</tr>
<tr>
<td>Extra points</td>
<td>5%</td>
<td>The film appears appropriate for educating K-12 about OSH (humor, comprehensible terminology, field work, use of technology, etc.)</td>
</tr>
</tbody>
</table>

Cash Prizes:
There will be four cash prize winners.

Grand Prize - $500.00; First Place - $350.00; Second Place - $250.00; Third Place - $175.00; Honorable Mention - $100.00
The winners will be announced by an ASSE Region 2 ROC representative.

**Judging:**
A panel consisting of ROC representatives and corporate sponsors from the Tucson and Phoenix Chapter will judge all eligible entrants. Each entry will be numerically scored by each judge and combined. The entries with the highest combined score will determine each cash prizewinner.
Release and Waiver

In consideration for the opportunity to submit my film to participate as an applicant in the Occupational Safety and Health Independent Film Festival contest being sponsored by the American Society of Safety Engineers Tucson and Phoenix Chapters, and for other good and valuable consideration, I irrevocably give American Society of Safety Engineers Tucson and Phoenix Chapters and its agents and contractors the right and permission to use, copy, alter, distribute, publish, broadcast, and display the film that I have submitted; photographs and images of me that I have provided or that they will create; my voice and likeness; my name; the city, state, or province in which I live; and other information and material included in my Entry Application, on ASSE Region 2 website, elsewhere on the Internet, in advertising and promotional materials, and in any other medium or format for any purpose related to the Occupational Safety and Health Independent Film Festival contest.

I waive any right to royalties or other payment for the use of my film and I also waive the right to inspect or approve ASSE’s use of the film and other materials that ASSE or their representatives may use with them.

I attest that there is no copyrighted material in film.

I release and waive and agree to hold ASSE, its agents, and its contractors harmless from any claims, damages, or liabilities resulting from their use of the film and I agree not to bring any such claims against the released parties at any time in the future. This includes, but is not limited to, claims for violation of publicity rights and privacy rights, claims based on moral rights, claims for intrusion, claims for defamation, claims for fraud, claims for infliction of emotional distress, and claims for copyright or other intellectual property infringement, whether those claims may be based on statutes or the common law.

I represent and warrant to American Society of Safety Engineers that:

- The film is my (our) original work.

- I (we) have not granted anyone else any rights to use, distribute, publish, broadcast, or display the film.

- I (we) have the full right and authority to execute this Release and Waiver.

- I (we) have all rights necessary to grant the rights, waivers, and releases granted in this Release and Waiver.

- I (we) have read this Release and Waiver and I fully understand it.

- All statements and information included in my Entry Application and any other statements and information that I provided to or will provide to American Society of Safety Engineers are true and complete.
