Re: Anita Helt, 2019 AZASSP Executive of the Year

Ms. Anita Helt,

The Arizona Chapter American Society of Safety Professionals (AZASSP) is pleased to announce that you have been chosen as the 2019 Executive of the Year.

The “Executive of the Year Award” is presented annually by the Arizona Chapter of ASSP to recognize an individual who is not a safety practitioner, but who visibly and actively supports a culture of safety and health in Arizona.

You were chosen from among other nominees for your overwhelming allocation of resources and commitment in the development and implementation of the ABC 15 Operation Safe Roads initiative.

There can be no doubt, Operation Safe Roads has positively impacted literally hundreds of thousands, and perhaps millions, of Arizona families and drivers.

The Arizona Chapter of the ASSP recognizes the importance of leadership as a key to the sustainability of any safety and health initiative. We are honored and delighted to be part of ABC 15's community engagement and look forward to providing years of support to you and the amazing team at ABC 15!

With nearly 600 members in the Arizona Chapter, 100 members in the Southern Arizona Chapter and 38,000 members nationally and globally in 80 countries around the world, the American Society of Safety Professionals represents the largest and oldest non-governmental organization dedicated to the protection of people, property, and the environment. For more than 100 years, ASSP has supported occupational safety and health (OSH) professionals in their efforts to prevent workplace injuries, illnesses and fatalities as they work to make the world a safer and healthier place.

This year's award will be presented on March 14th at 1:00 PM, immediately following the lunch keynote at the Annual 2019 Safety and Health Summit being held at ASU Memorial Union, 301 E Orange St, Tempe, Arizona.

Please contact us as soon as possible to discuss your availability to personally receive this outstanding recognition of community engagement related to safety and health. In the event you may not be available to personally attend, we would welcome a representative on your behalf to accept the award.

Respectfully yours,

Nathan Carroll
