**Registration** – We need 4-5 volunteers to assist with registration from 7:00am - 8:30am. We will then need at least one person assigned to registration throughout the day, and this can be handled in shifts.

**Vendor Support**- We need 1 volunteer to check in vendors and support general needs throughout the conference.

**Moderators** – We need 4 Moderators (1 per track) - to introduce speakers and distribute and collect evaluations.

**ASSP Booth** - We need 1-2 volunteers assigned to the ASSE booth during the breaks.

**Operations Support** – We need 1-2 volunteers helping the planning committee respond to anticipated opportunities, this valuable volunteer will monitor and maintain an orderly appearance in the student lounge, war room (s), and presenter prep. room. Requirement: This role could require a great deal of walking, light lifting (small boxes), and minor cleaning/organizing. Volunteer should be good at problem solving and great at working with people.
